

24hrs

by Simona Semenic

Cast:

***First pair:* SHE1**

HE1

***Second pair:* SHE2**

HE2

***Spams:* SPAM1 - SPAM16**

Stage:

The stage simultaneously represents two different locations; a hotel room and an abandoned mine shaft. The locations are not placed beside each other but rather on top of each other (they occupy the same stage area).

Notes:

HE1 and SHE1 don't see HE2 and SHE2; HE2 and SHE2 don't see HE1 and SHE1. None of them can see the Spams. It is recommended that movements of both pairs occur more often than indicated in the text.

Spams can come from anywhere and in any way, the only thing important is that they take over the space with their voice and body. They can talk directly to the protagonists, they can move them, they can physically interfere. The protagonists continue with their dialogues and actions as though the Spams are not present.

Dark.

HE2: So ...

SHE1: No.

SHE2: Yes.

HE1: What?

SHE1: I can't.

HE2: But ... Hold on ...

SHE2: What?

HE1: Come on.

HE2: You can't just ...

SHE1: No, it's pointless.

SHE2: Why not?

HE2: Because you just can't.

HE1: Don't quit now.

SHE1: No, it won't solve anything.

SHE2: Maybe you can. Maybe you can just ...

HE1: At least you have to try.

HE2: You think that you just ...

SHE2: Yes. That's what I think

SHE1: I'm telling you it's pointless.

HE2: Well ...

HE1: You can't just quit.

SHE2: Well what?

HE2: Well then we might as well ... Right?

SHE1: I can.

HE1: No.

SHE2: Or we might as well not.

HE2: Right.

SHE2: So?

SHE1: Please, I really can't continue.

HE2: I don't know ... Maybe we'd just better...

SHE2: What?

HE1: You can make it. Just try.

SHE1: That's what you keep saying, but it's not what you really think.

HE2: I don't know.

SHE2: Leave it at that, is that what you mean?

HE1: That's not true. We are going to make it.

HE2: Yes. Maybe. I don't know, what do you think?

SHE1: But I really can't.

HE1: Come on, just try a little harder.

SHE1: Please, leave me here. Continue on your own. I really can't go on. I just can't.

SHE2: You're probably right. It would be for the best.

HE2: Do you want to?

SHE2: Yes.

HE1: If only I could see anything.

SHE2: Yes.

SHE1: Well, turn on the light then.

HE2: Well, then I guess we might as well.

SHE2: What?

HE2: Well, you know.

HE1: Of course you realize that –

SHE2: No, what?

SHE1: I know, but turn it on anyway.

HE1: But –

SHE1: Turn it on.

HE1: (*Turns on the flashlight.*)

Light. Silence.

SHE1 and HE1 are in an abandoned mine shaft. The flashlight is their only source of light.

HE2 and SHE2 are in a hotel room. Intimate lighting.

HE2: Do it. Get it on.

SHE1: (*Leans against the wall.*)

HE1: (*Makes a step towards her. Stops.*)

SHE2: Wait, weren't you just saying it would be for the better if things were left as they are?

HE2: But you said you want it.

SHE1: (*Leans with the hands on her knees.*) SHE2: No, I didn't.

HE1: (*Watches her.*)

HE2: Yes, you did.

SHE2: No, I didn't.

HE2: Yes, you did. You said you wanted it.

SHE2: No, I said, I wanted to leave things as they were.

HE2: Oh.

Silence.

SHE1: The worst thing is this stench. It's like walking through a cesspool.

HE1: It comes from –

SHE1: Don't. It doesn't matter, I just can't stand this stench anymore. And I can't go on.

HE1: I know.

SHE1: And my arms are getting numb. I can hardly even move my toes.

SHE2: Well, what now?

SHE1: Leave me here and keep going. If you make it, you'll come back to get me.

HE2: Don't know. How about another beer?

HE1: You can put your arms around my neck and I'll carry you.

SHE2: Why not?

SHE1: Leave me. I really can't.

HE1: (*Walks to her.*)

HE2: (*Supplies the beer.*)

SHE1: (*Looks at him.*)

HE1: (*Wants to touch her.*)

SHE1: (*Moves away.*)

SHE2: (*Grabs the beer.*)

SHE1: You just go. I mean it.

SHE2: (*Gives him a grateful nod.*)

HE1: (*Moves away from her.*)

Silence.

HE2: Hey. Don't you find this a bit odd?

SHE2: Yes. A bit.

HE1: Let's rest for a few minutes.

SHE1: (*Shrugs her shoulders.*)

HE1: (*Sits down.*)

SHE1: (*Sits down opposite to him.*)

HE2: Were you expecting ...

Silence.

SHE2: No.

HE1: (*Views the space.*)

HE2: Neither did I, actually.

SHE2: Well, what did you expect?

HE2: Don't know. Being here with you, I guess. Getting a little drunk, and so on.

SHE1: It's pointless.

HE1: I think I know where we are.

SHE2: Well, that's fine then.

SHE1: Again?

HE1: Yes.

HE2: Yes. I'm having a nice time anyway.

SHE1: Again?

HE1: (*Stands up.*)

SHE2: Me too. We always manage to have a nice time together, don't we.

SHE1: (*Looks at him.*)

HE1: (*Looks at the wall.*)

Silence.

HE2: We do.

HE1: (*Views the space.*)

SHE1: (*Watches him.*)

HE1: (*Looks at her.*)

SHE1: (*Looks away so their eyes don't meet.*)

HE1: (*Looks at the wall.*)

SHE1: (*Deeply breathes in and out.*)

SHE2: At least we're alone now.

HE2: Yes. Isn't it great?

SHE2: Uhuh.

HE2: And you really weren't expecting us to ...

SHE2: No, no, I wasn't.

HE2: Me neither.

Silence.

HE1: Same place. For sure.

SHE1: Come on, it can't be.

HE1: It is.

SHE1: Well, maybe –

HE1: I'm afraid not. It's the same wall, alright.

Silence.

SHE1: (*Lays her head on her knees.*)

SHE2: It's quite comfortable here, isn't it?

SHE1: (*Squeezes her arms under her shirt on her belly.*)

HE2: Uhuh.

HE1: (*Watches her.*)

SHE2: And not so expensive either.

SHE1: (*Moves her head.*)

HE2: Downright cheap.

HE1: (*Looks away.*)

SHE2: Yes. I was sure it would be expensive.

SHE1: (*Looks at him, covertly.*)

HE2: Yes, me too.

HE1: (*Rubs his hands together, puffs in his hands.*)

SHE2: You know they've also got a sauna and a swimming pool?

SHE1: (*Watches him.*)

HE2: Really? No, I didn't know that.

HE1: (*Moves.*)

SHE2: We could try out the sauna in the morning.
Before we check out.

SHE1: (*Lays her head on her knees.*)

HE2: That'd be great.

HE1: (*Looks at her.*)

SHE2: What do you think?

Silence.

HE2: Yes. I'm all for it.

SHE2: Deal. We'll go.

HE2: You mean, together?

SHE2: Of course.

HE2: Well, if you don't have a problem with it...

SHE2: No, why would I?

Silence.

HE1: Do you hear something?

SHE2: Well, that's fine then, I guess. I mean, if you had
no other expectations ...

SHE1: What?

HE2: Yes, it's OK.

HE1: Listen.

Silence.

SHE2: Not that I had ruled out the possibility, to be
honest.

SHE1: To what?

HE2: Well, I didn't either. It's not that I ruled anything
out, but ...

HE1: Sounds like people talking.

SHE2: But you had no other expectations.

HE2: Yes, that's it. Sort of.

Silence.

Silence.

SHE1: No.

HE1: Listen.

Silence.

SHE1: No one is talking.

HE1: Just listen.

Silence.

SHE1: I don't hear anything.

Silence.

SHE1: Do you still hear something?

HE1: (*Sits down.*)

SHE1: You don't?

HE1: (*Puts his face onto his palms.*)

SHE1: Do you?

Silence.

HE2: Even if I did kind of imagine we would be somehow ... well, that we wouldn't manage to avoid each other. You know what I mean?

SHE2: Not quite.

SHE1: (*Stands up, moves closer to him.*) HE2: Well, that we would ... You know. There is only one bed.

HE1: (*Puts his hands onto his belly.*) SHE2: Oh. You were thinking we'd probably have to share the bed.

SHE1: (*Sits next to him.*) HE2: Yes. That.

HE1: (*Moves away a bit.*) SHE2: And that maybe, eventually, we would potentially even touch... slightly.

SHE1: (*Moves away a bit.*) HE2: Yes, but... you know. Nothing serious. More in a friendly sort of way. More, if you prefer...

HE1: (*Moves away a bit more.*) SHE2: Platonically?

Silence.

HE2: Yes, that everything would be...

SHE1: (*Puts her hands over her face.*) SHE2: Platonic.

SHE1: (*Leans her head to the wall.*) HE2: Yes.

HE1: (*Looks at her.*) SHE2: Oh, I see. I wouldn't mind that.

HE2: You wouldn't?

SHE1: No. No. No.

Silence.

SHE2: No, no.

SHE1: Actually, I also felt like we'd been here before.

Silence.

HE2: Well, then there's really no problem.

SHE1: But anyway I get the same feeling every time we take a turn.

Silence.

SHE1: I told you it's pointless.

SHE2: If you want, we could go to bed now.

HE2: Oh, I don't know. You already feel like going to bed?

SHE2: I would say so. I'm pretty tired. And it's pretty goddamn late. Tomorrow's going to be a long day.

HE2: That's true. I guess we really could go to bed now.

SHE2: Well, let's.

SHE1: The whole time I've felt like we're walking through the same space. All the stones look the same and then when we move on I realize that, actually, the places are slightly different. I have no clue where we are now. For all I know we might never have been at this place before and now we're moving in the right direction.

HE1: But we have. More than once.

HE2: Only I think it'd be smarter if we went to bed ... you know. Without pajamas.

SHE1: No. No.

Silence.

SHE1: No.

HE1: Yes.

Silence.

SHE1: (*Stands up.*)

SHE1: (*Walking.*)

SHE2: Right away?

HE2: Yes.

SHE2: Wait, I'm not sure that's such a good idea. Why?

HE2: You know, so that we'd be more ... relaxed.

SHE2: Oh. OK.

HE2: Just in case.

SHE2: In case we'd feel like fucking, or what?

HE2: Yes. Just a precaution.

SHE2: Ah. But...wouldn't it feel strange?

HE2: No, why would it feel strange?

SHE2: I mean, you know. Sort of...impersonal.

HE2: Impersonal? Why?

SHE2: Wouldn't it seem impersonal to you if I came up with the idea?

HE2: No, not at all.

SHE2: Wouldn't you have the feeling I'd just want to get it over with in a hurry?

HE2: What do you mean, in a hurry?

SHE2: Without having to take our clothes off.

HE2: Wait, what do you mean?

SHE2: What do you mean, what do I mean? Without pajamas. What could I mean?

SHE1: (*Sits opposite to him.*)

HE1: (*Looks at her.*)

SHE1: (*Looks at him.*)

HE2: Oh. Because what I meant was that we could just lie down as we are now. Without changing into pajamas. That's all. A precaution. Right?

HE1: / SHE1: (*Look down.*)

SHE2: Oh, that's what you meant. Yes, I mean ... I'm OK with that.

HE2: Well, what did you have in mind?

SHE1: And now? What will we do now? *Silence.*

HE1: Let's have a short rest. I'll think it over.

Silence.

HE2: So?

HE1: (*Turns off the flashlight.*)

SHE2: Shall we?

HE2: Yes, let's.

SHE1: Please turn it back on.

SHE2: Come on.

HE1: It'll run out.

HE2: OK. (*Approaches the bed.*)

SHE1: Let it.

SHE2: (*Approaches the bed.*)

HE1: We could need it later.

Silence.

HE2: What now?

HE1: You know it won't last much longer.

Silence.

SHE2: What do you mean?

HE1: It's cheap stuff.

Silence.

HE2: Which side do you prefer?

HE1: Small money, short music.

Silence.

SHE2: I don't care. You choose.

HE1: You know.

SHE1: Yes, I know.

Silence.

HE2: I don't care either. You tell.

HE1: (*Turns on the flashlight.*)

SHE1: (*Smiles.*)

HE1: (*Shrugs his shoulders.*)

SHE2: Any side ...

HE2: Alright. I'll take the left then. That OK with you?

SHE1: You didn't have to.

HE1: It's OK.

SHE2: OK.

HE2: (*Lies down on the bed.*)

SHE2: Aren't you going to get under the covers?

HE2: Oh. Right.

SHE1: What were we thinking coming here? HE2: (*Gets off, uncovers the bed, finds a comfortable position.*)

SHE2: (*Lies down next to him.*)

Silence.

HE2: Feel alright?

SHE2: Actually, I think I'd prefer the left.

HE2: OK. No problem, let's switch. (*Gets up, walks around to the other side.*)

SHE1: Whose idea was it anyway?

SHE2: (*Moves over to the left side.*) Thanks.

HE1: Simona's, I think.

HE2: (*Lies down on the right side.*) You're welcome.

Better now?

SHE2: Yes, better.

SHE1: And what was supposed to be that interesting in this hole?

HE1: I'd never been to the mine. I wanted to take a look.

SHE1: Yes. Me, too.

Silence.

SHE2: Can we swap pillows?

SHE1: (*Changes position.*)

HE2: Sure. But they're the same.

SHE2: No, they're not. Yours is slightly bigger.

HE2: No, they're the same.

SHE2: They're not. (*Pause.*) Well, I mean, if you really feel attached to it ...

HE2: No, really, I don't care. But they are the same.

HE1: (*Changes position.*)

SHE2: Well, I guess it's not that important anyway.

HE2: No, if you want it, you can have it.

SHE2: No, you keep it.

HE2: Look, I can give it to you. I really don't care.

SHE2: I don't care either.

HE2: Here, take it. (*Offers her the pillow.*)

SHE1: (*Changes position.*)

SHE2: No. I don't care. Really.

HE2: Come on, take it.

SHE2: (*Takes the pillow.*) Thanks, you really didn't have to.

HE1: (*Changes position.*)

HE2: You're welcome.

SHE2: (*Gives him her pillow.*)

SHE1: (*Changes position.*)

Silence.

SHE2: Hey, you know what ...

HE1: (*Changes position.*)

HE2: What?

SHE2: They really are the same.

SHE1: I'm so tired of this.

Silence.

HE1: Try to get some sleep.

SHE1: (*Smiles. Lays her head on her knees.*)

HE1: (*Watches her.*)

Silence.

SHE2: This is a mistake.

SHE1: (*Raises her eyes.*)

HE2: What is?

HE1: (*Looks away.*)

SHE2: This, all of this is a mistake.

HE2: Come on.

Silence.

SHE1: I can't.

HE1: (*Looks at her.*)

SHE1: (*Smiles.*)

HE1: (*Smiles back. Lays his head on his knees.*)

SHE1: (*Watches him.*)

Silence.

SHE2: How stupid of us to think that we can make up in a single day for something that's been screwed up for years.

HE2: Come on. Nothing's screwed up.

SHE2: No, let's face it. Screwed.

HE2: I was kind of hoping tonight would make it better.

SHE2: Me too. I apologize.

HE2: What?

SHE2: I apologize.

HE2: For what?

SHE2: For all of this.

HE2: It's not your –

SHE2: It was my idea.

HE2: Nah, it was just a coincidence.

SHE2: Right.

Silence.

HE1: My stomach.

SHE1: I can hear.

HE1: I can't sleep on an empty stomach.

Silence.

HE1: (*Starts raising his head.*)

SHE1: (*Lays her head on her knees.*)

HE1: (*Watches her.*)

SHE2: I shouldn't have lured you here. How stupid of me. Stupid of me, stupid of you. Of you because you act first, think later, of me because ... because it just is.

HE2: What are you babbling about? You didn't lure me.

You know –

SHE2: Yes, I do.

HE2: What?

SHE2: I know you wanted me to.

HE2: I wasn't going to say that.

SHE2: No?

HE2: No.

Silence.

SHE1: It's wonderful outside.

HE1: Yes.

HE2: So?

SHE2: What?

SHE1: The sun is shining.

HE1: Yes.

HE2: Aren't you going to ask?

SHE2: Ask what?

SHE1: And you catch a whiff of freshly-mown grass.

HE1: Of grilled fish.

SHE1: (*Smiles.*)

HE2: What I was going to say.

HE1: (*Smiles back.*)

SHE2: Well?

SHE1: Of fresh tomato, cucumber and green pepper salad.

HE1: Wine.

SHE1: (*Looks at him.*)

HE2: Well, ask.

HE1: (*Smiles.*)

SHE2: I just did.

Silence.

HE2: No, you didn't. You said: "Well?"

SHE2: Well?

HE2: Well what? Is that a proper question? "Well?"

SHE2: Well, what were you going to say?

HE2: Nothing, really. Just bluffing.

SHE2: Oh.

SHE1: How could this have happened to us?

HE1: We weren't paying attention.

SHE1: Do you think we'll ...

HE1: No. We are going to make it

SHE1: But didn't they say that in 24hrs ...

HE1: Everything will be fine, you'll see.

SHE1: It's not fair.

Silence.

HE2: I was going to say that I love you.

SHE1: (*Stands up.*)

SHE2: Oh.

SHE1: (*Stretches her arms.*)

Silence.

SHE2: Still?

SHE1: (*Walks back and forth.*)

HE2: Uhuh.

HE1: (*Watches her.*)

Silence.

SHE1: (*Looks in his direction.*)

HE1: (*Looks away.*)

SHE1: (*Watches him covertly.*)

SHE2: Haven't you had enough?

HE2: No. Never.

SHE2: (*Smiles.*)

HE2: (*Smiles back.*)

HE1: (*Stares into the ground. To himself.*) It's not fair. It's not fair. It's not fair. It's not fair. It's not fair. /

SHE1: Hey.

HE1: / It's not fair. It's not fair. It's not fair. It's not fair. It's not fair.

SHE1: Quit it.

HE1: Sorry. Just thinking.

SHE1: (*Sits down.*)

SHE2: Me neither, to be honest

Silence.

HE2: I know.

HE1: (*Stands up. Starts walking up and down.*) SHE2: But it's not enough.

SHE1: (*Watches him.*) HE2: I've noticed, yes.

SHE2: So what shall we do now?

HE2: I don't know. All I know is that I love you.

HE1: (*Rubs his hands together and puffs into them.*) SHE2: Would you like to ...

SHE1: (*Huddles, covers her arms with her shirt.*) HE2: What?

HE1: (*Looks at her.*) SHE2: Come closer.

SHE1: (*Looks away.*) HE2: No, it's alright ...

Silence. SHE2: What's alright?

HE2: I don't want you thinking that ... You know ... Not like this.

SHE2: Oh, come on.

HE1: (*Is walking up and down.*) HE2: (*Watches her.*)

SHE2: (*Smiles.*)

HE1: (*To himself.*) It's not fair. HE2: (*Moves closer.*)

It's not fair. It's not fair. It's not fair. It's not fair.

It's not fair. It's not fair. It's not fair. It's not fair.

SHE1: Please stop. You're making me nervous. *Silence.*

SHE1: Sit down. HE2: (*Strokes her hair.*)

HE1: (*Moves across to another part of the space.*) SHE2: (*Smiles.*)

Silence. HE2: (*Takes her hand.*)

SHE1: I'm hungry. And thirsty. SHE2: (*Strokes his hand.*)

Silence. *Silence.*

SHE1: Maybe it's raining outside. Maybe rain is falling, nice and warm ...

Silence. SHE2: And now what?

HE2: Nothing.

SHE1: What I wouldn't give for a shower right now. *Silence.*

Silence. SHE2: (*Moves away.*)

SHE1: And it's cold. So frigging cold.

HE1: Oh, it's cold, alright.

SHE1: My legs are freezing.

HE1: Yes. And arms as well.

SHE1: And my belly. My belly is freezing because I keep putting my hands on it.

HE1: Me also.

SHE1: And I think my asshole is getting ready to freeze shut.

HE1: (*Smiles.*) HE2: What?

SHE1: No, really.

HE1: (*Smiles.*) SHE2: Nothing.

SHE1: I'm serious.

HE1: I know. But there's not much we can do about it, is there?

SHE1: (*Looks at him.*)

HE1: (*Looks at her.*)

SHE1: (*Looks away.*)

Silence.

SHE1: I can't go on like this. I'll freeze to death.

HE1: It'll be OK. You'll see.

SHE1: Stop saying that everything will be OK. You're constantly saying, that everything's going to be OK. Nothing will be OK.

HE2: Nothing?

SHE2: Nothing.

SHE1: We're going to die here. If not from the stench then from the cold. And you keep telling me it's going to be OK. That it'll be just fine. Stop treating me like an idiot.

HE1: I'm not treating you –

SHE1: Then stop treating yourself like an idiot. Nothing is going to happen.

HE1: Everything's going to be fine. Really.

SHE1: Really?

HE1: Really.

SHE1: Then it's not true about 24hrs?

Silence.

SHE1: Is it?

Silence.

SHE1: Can you answer me?

HE1: It's true.

Silence.

HE2: Come on, what is it?

SHE2: Nothing. Forget it.

HE2: Did I ...

SHE2: No, you didn't. Forget it. I'm sorry.

HE2: It's OK. I understand.

Silence.

HE1: But everything's going to be fine anyway. Come on, lets try to rest for a while.

Silence.

HE1: Okay?

SHE1: Okay.

Silence.

SHE2: I think it would be best if we just went to sleep.

HE2: Yes, let's.

Silence.

HE1: (*Walks up and down.*)

Silence.

HE1: (*To himself.*) It's not fair. It's not fair. It's not fair. It's not fair. It's not fair. It's not fair. It's not fair. It's not fair. It's not fair. It's not fair.

Silence.

HE1: (*Stops. Looks at her.*) Let's get out of here.

SHE1: Out where?

HE1: Let's go ... Let's go for a walk.

SHE1: For a walk?

HE1: Yes, let's just go.

SHE1: (*Looks at him.*)

HE1: (*Looks at her.*)

HE2: I've got a hard-on, sorry. I can't sleep.

SHE1: (*Laughs.*)

HE1: (*Smiles.*)

SHE2: You didn't need to say that.

HE2: I'm not trying to push you or anything. Just said it.

SHE2: I know. You always just say it.

SHE1: It's not fair.

Silence.

HE1: (*Sits down opposite her.*)

Silence.

HE2: What? I haven't been pushing you, have I?

SHE2: No, you haven't. Have I been pushing you?

HE2: Not at all.

SHE2: Well, then there really isn't any problem. Or what?

HE2: No. There isn't any problem. Except for ...

SHE2: Okay, if we neglect that tiny little detail ...

HE2: Tiny little detail?

SHE2: Uhuh.

HE2: Thank you.

SHE2: You're welcome.

Silence.

SHE1: How long do you think has it been since we got lost?

HE1: Not that long.

Silence.

SHE2: Do you remember the time –

HE2: Yes, I do.

SHE2: I haven't even –

HE2: I most definitely remember. But now really isn't the time or the place to start with these sentimental reminiscences, please, I beg you.

SHE1: It feels very long to me.

Silence.

SHE2: It is never the time or the place for it. When was it ever the time or the place for it with you? Can you tell me when have you ever felt it was the time or the place? To have a decent talk about anything?

SHE1: Considering that we got in in the morning and we got lost, let's say one hour after that ...

HE1: Most likely two.

SHE1: Well, since than it must have been something like fifteen hours ...

Silence.

HE2: Look, it's not about ...

SHE2: What is it about? When did you ever listen to me?

HE2: Oh, come now. I always listen to you.

SHE2: Oh, really.

SHE1: Or maybe twenty.

Silence.

HE2: Don't start. We've been over this a million times already. I don't think it'll do any good. I mean, it won't help anything.

SHE1: We can guess approximately what time it is now.

Silence.

SHE2: I'm sorry, you've got a hard-on. I'm sorry I don't provide you with optimal service.

HE2: Don't be. It's fine.

SHE1: Don't you think so?

Silence.

HE2: What were you going to say?

SHE2: Nothing special. It wouldn't have gotten us anywhere anyway.

SHE1: Do you think the two of them have already found their way out?

HE1: (*Looks at her.*)

Silence.

HE2: Something about the party?

SHE2: Do you really think it would solve anything?

HE2: What about the party?

SHE1: Are you really out of candy bars?

Silence.

Silence.

HE2: Something I haven't already heard?

SHE1: Not even a tiny bit of chocolate? *Silence.*

HE1: (*Looks at her.*)

HE2: Okay, so is this a conflict?

Silence.

SHE2: A conflict?

HE2: Well, I'm not sure, but to me it seems like a conflict.

SHE2: Oh, come on, there's no conflict. Do you think we need conflict?

HE2: It might help.

SHE1: Maybe we can at least find something to drink.

SHE2: Well, I think we're beyond help.

HE1: Try to get some sleep.

Silence.

SHE1: (*Lays her head on her knees.*)

HE2: Which party?

Silence.

SHE2: (*Smiles.*)

SHE1: Maybe it's night outside.

Silence.

HE2: The first party?

HE1: Yes, it must be night.

SHE2: (*Nods.*)

Silence.

SHE1: I can't, it's too cold. (*Stands up and starts to walk up and down.*)

HE1: You better get some rest.

SHE1: I'm cold.

HE1: I think it's better if we don't move too much. We have to economize our energy.

SHE1: I'm telling you I'm cold.

HE1: Yes.

SHE1: (*Walks back and forth.*)

HE2: So?

SHE2: Oh, nothing.

HE2: Please, say it.

SHE2: Oh, it's nothing really, I just had a thought... Do you still remember what was it like?

HE2: Like it happened yesterday.

SHE2: Yes, isn't it weird? It seems like yesterday to me, too. Even now I can't forget that it was Friday and that it was cloudy and horrible in the morning. And that I didn't have my morning coffee which made me cranky.

HE2: Uhuh.

SHE2: But the afternoon was gorgeous. Warm and sunny. I remember wondering whether you'd show up at the party. And you did. I spotted you as soon as I arrived. Remember?

HE1: (*Stands up.*)

HE2: Sure.

SHE1: Do you think they're looking for us?

HE1: Of course they are.

SHE1: What if they got lost as well?

Silence.

HE1: (*Approaches her.*)

SHE2: I was staring at you the whole evening. How rude of me.

SHE1: (*Walks up and down in front of him.*)

HE2: Well, there was something to stare at.

HE1: (*Leans on a nearby wall.*)

SHE2: And then I said to myself that I would marry you.

HE2: And look how far we've come.

SHE2: True. You hadn't even noticed me yet, and I was already convincing myself that I would marry you. All of a sudden it came to me: This is the man I am going to marry.

HE1: (*Sits down.*)

SHE1: I can't even walk anymore. And on top of everything I'm starting to get a headache.

SHE1: (*Sits down. Lays her head on her knees. Massaging temples.*)

HE1: (*Watches her.*)

SHE2: Not: This is the man I would like to marry. Or:
This is the man I want to marry. No. This is the man I
am going to marry.

SHE1: (*Moves.*)

HE2: How many beers have you had?

HE1: (*Moves.*)

SHE2: And you didn't even notice me.

SHE1: (*Moves.*)

HE2: Of course I noticed you.

HE1: (*Stands up.*)

SHE2: You didn't say a word to me.

SHE1: (*Moves.*)

HE2: Yes I did. Good night.

HE1: (*Takes a few steps along the wall.*)

SHE1: (*Looks at him.*)

SHE2: Well, OK. Good night then.

HE1: (*Looks away.*)

Silence.

SHE1: (*Looks away.*)

HE2: I said.

HE1: (*Sits down.*)

SHE2: What?

SHE1: (*Lays her head on her knees.*)

HE2: I said: "Good night" to you. There, at the
party.

HE1: (*Watches her.*)

SHE2: Oh, right. You did.

HE2: Yes.

SHE2: Without noticing me.

HE2: Of course I did, I had my eyes on you the whole
time.

SHE2: So, what was I wearing?

HE2: I remember you were dancing. That I remember,
but I don't quite remember what were you wearing.

SHE2: There you go. I, however, still remember your
stretched blue T-shirt. Which was too big for you, if you
ask me. And your jeans, which didn't fit at all.

HE2: I remember you had your hair loose and hairs kept
sticking to your face. And you were going wild on the
dance floor.

SHE2: Well, I had to do something. You were just sitting there, drinking and smoking as if I didn't exist. The more I danced, the more I was sure that I would marry you. I told myself I would marry you even if it already felt that we wouldn't last. And then I thought I really don't care, I want to marry you anyway. How stupid of me. And you were just sitting there, drinking and smoking.

HE2: I watched you dance.

SHE2: And?

HE2: I watched you move. Streams of sweat were running down your forehead.

SHE2: Yes?

HE2: I watched you lick your lips. Fix your hair.

SHE2: That's all?

HE2: Spinning your hips. Shaking your ass. Your tits jumping. There. Happy?

SHE2: Then what?

SHE1: I can't. Can't walk, can't sleep, can't sit. I can't do anything anymore. How could this have happened? Why did this have to happen, I don't get it. Could you please explain to me how we could have gotten stuck in here? Where did they go? How could we have lost them?

Silence.

HE2: Then ... Then I imagined fucking you into oblivion. Right there, on the dance floor. The band was going all the way and so was I. You were soft, warm, willing.

SHE1: Maybe they've long since found their way out. Maybe we're the only ones left here, buried alive. Maybe they'll never find us, maybe they aren't even looking for us. Maybe they couldn't care less. They don't give a shit, as long as they're warm, even if we rot to death in here.

Silence.

HE2: Now are you satisfied?

SHE2: Yes. It's great.

SHE1: Can you just explain me how this could have happened?

Silence.

SHE2: Come on. I'm serious. Do you know that was the first time I started to believe that marrying for love is actually possible. Honestly. That very Friday. During that party. You were sitting there and I felt like I knew we were made for each other. Despite you not giving me a single look. When you left I actually started to feel pain

in my chest. This spot, right here. And I mean real pain. Seriously. I really had chest pain.

HE2: Well, that did it. It looks like you provide me with optimal support after all.

SHE2: (*Smiles.*)

HE2: Who was it that said nobody can get rid of a man's erection more efficiently than a married woman?

SHE2: Must have been a married woman.

HE2: Quite possibly.

SHE2: Good night.

HE2: Good night.

SHE1: Can you at least say something? *Silence.*

HE1: What do you want me to say?

SHE1: I don't know, anything. Talk to me. You're alive, aren't you?

HE1: I don't know. I don't know how this could have happened. And I don't know where they disappeared to. They're wandering, just like us. Either that or they've already found their way out and are all eating grilled fish and having wine. I don't know. I don't even know what time it is. I don't know anything.

SHE1: Do you at least have any idea how deep we are?

HE1: Not the slightest.

SHE1: You don't know anything then?

HE1: Nothing.

SHE1: Was that true earlier, about the 24hrs?

HE1: Yes.

Silence.

SHE2: Hey, you really don't have a hard on anymore?

HE2: Yes.

SHE2: I can't sleep either.

HE2: Don't tell me you've got a hard-on?

HE1: (*Stands up and approaches her.*)

SHE1: (*Stands up.*)

HE1: (*Leans against the wall next to her.*)

SHE1: (*Leans against the wall.*)

HE1: It'll be OK.

Silence.

HE2: Or is it that you're thinking about marrying me?

SHE1: Yes.

Silence.

SHE2: I would never marry you again.

SHE1: If only I wasn't so cold.

Silence.

HE2: And I was just about to propose ...

SHE2: I don't want to marry you.

HE2: You see, and I still feel like fucking you into oblivion. So much for fidelity.

SHE2: You're disgusting.

HE2: No, I'm being faithful.

SHE2: Are you?

HE2: Uhuh.

Silence.

SHE1: Are you cold too?

HE1: Yes.

SHE1: But there's nothing we can do.

Silence.

HE2: You're touching me.

SHE2: Sorry. Did I really...

HE2: Interrupt my erection?

SHE2: Yes.

HE2: Yup. Completely.

SHE2: What was all that about oblivion then?

HE2: I did. That night, on the dance floor.

SHE2: Oh.

Silence.

HE1: Oh, look.

SHE1: What?

HE1: A coin.

SHE1: Where?

HE1: Here, look. (*Picks up the coin. Polishes it.*) Oooh, it's an old one. Here.

SHE1: No, you have it. You found it. For your wish.

HE1: For my what?

SHE1: For your wish. Hold it in your hand, close your eyes, make a wish and throw the coin.

HE1: And then it'll come true?

SHE1: Yes, of course.

HE1: Oh.

SHE1: The reason you have to throw it is so that somebody else can find it and the wish passes on to him. You have to pass your wishes on.

HE1: Ah.

Silence.

SHE2: How long is this going to continue?

HE2: / SHE2: Into oblivion. / Into oblivion?

SHE2: Then you really won't let me have it?

HE2: OK, now quit it. Just ... stop.

SHE2: Good night?

HE2: Yes.

SHE2: Don't you have a hard-on?

HE2: I do.

SHE2: Will you be able to fall asleep then?

HE2: I'll try.

SHE2: Good night.

HE2: Good night.

SHE1: Come on.

Silence.

HE1: What?

SHE1: Your wish.

HE1: Oh. (*Closes his eyes and places the coin back on the floor.*)

Silence.

SHE1: (*Sits down.*)

HE1: (*Watches her.*)

SHE1: (*Places her arms on her knees and her head on her arms. Looks straight ahead.*)

HE1: (*Watches her.*)

Silence.

HE2: Hey ...

HE1: (*Turns his back against her and approaches the wall.*) SHE2: What?

SHE1: (*Looks at him and swiftly gathers the coin.*)

HE2: Are you asleep?

HE1: (*Turns around.*)

SHE2: Yes.

HE2: Oh.

HE1: (*Crouches.*)

SHE2: Well, not really. No.

HE2: Oh.

HE1: I still think it would be useful if we went for a look around.

SHE1: We'll just end up here again.

Silence.

SHE2: So?

HE1: (*Sits down.*)

HE1: (*Stretches his legs.*)

HE2: What?

HE1: (*Leans his head against the wall.*) SHE2: What did you want to say?

Closes his eyes.

SHE1: *(Looks at him.)*

HE2: Oh, nothing. Nothing important.

SHE1: *(Closes her eyes, throws the coin, so that it makes a sound.)*

HE1: Did you hear that?

SHE1: Hear what?

HE1: *(Listens carefully.)* Nothing.

Silence.

SHE2: Come on, what is it?

HE2: You really wouldn't marry me again?

SHE2: No. Yes. I don't know. I don't know if I wouldn't.

Don't know if I would.

HE2: Then you really believe it's all screwed up?

SHE1: *(Stands up.)*

SHE2: I don't know. Do you really believe it's not?

SHE1: *(Starts jumping.)*

HE2: I hope it's not.

SHE2: Really?

HE2: Really.

SHE1: Cold, cold, cold.

SHE2: *(Smiles.)*

HE1: *(Looks at her.)*

Silence.

SHE1: *(Rubs her hands together.)*

HE1: *(Stands up and approaches her.)* HE2: *(Strokes her hair.)*

HE1: *(Takes her hands and rubs them in his.)*

SHE1: *(Smiles.)*

SHE2: *(Smiles.)*

HE2: What if we, you know, anyway...

SHE2: Oh, I don't know. I guess we could. I mean people do it all the time, don't they?

HE1: *(Lets go of her hands.)*

HE2: Are you sure?

HE1: That better?

SHE1: Yes.

SHE2: Yes.

Silence.

Silence.

SHE1: Thank you.

HE1: You're welcome.

SHE1: And now for my feet.

HE1: *(Smiles.)*

SHE1: No, I didn't mean ... I didn't think that you ... What I meant was, now I have to get my feet warm.

HE1: Oh.

SHE1: Yes, yes.

HE1: Otherwise I might start imagining things.

SHE1: No, no.

HE1: (*Sits down.*)

SHE2: Are you sure?

SHE1: (*Sits down.*)

HE2: Yes. I think so.

SHE1: (*Takes her shoes off.*)

SHE2: What then?

SHE1: (*Rubs her foot.*)

HE2: Well, we can try.

HE1: (*Watches her.*)

SHE2: We can't try if you're not one hundred percent certain.

HE2: But I am. Let's do it.

SHE2: Yes. Let's. But how?

SHE1: (*Looks at him.*)

HE2: I don't know, we'll improvise.

HE1: (*Moves.*)

SHE2: OK. Then let's do it already.

HE2: Oh, you mean right now?

SHE2: Yes, now ... or what?

HE2: Well, I guess ...

SHE2: Would you prefer to wait a little?

HE2: Maybe. Just a bit.

SHE1: (*Rubbing faster.*)

SHE2: Okay.

HE1: (*Looks at her.*)

Silence.

SHE1: (*Rubbing even faster.*)

HE2: Well ...

SHE2: Not so sure?

HE2: No.

SHE1: There. That's better. Now, what else can I do to warm myself up?

HE1: Try taking your socks off and placing them on your stomach or under your armpits. Then put them back on.

SHE1: Great idea.

SHE1: (*Takes her socks off.*)

SHE2: Do you think it would change anything?

SHE1: (*Places them under her armpits.*) SHE2: That anything would be different in the morning?

HE1: (*Watches her.*)

HE2: I don't know.

SHE1: Oh, shit. They're so damn cold.

HE1: (*Smiles.*)

SHE1: (*Looks at him.*)

HE1: (*Makes a serious face.*)

SHE1: (*Smiles.*)

HE1: (*Smiles back.*)

SHE1: (*Gives herself a foot massage.*) SHE2: Does it even matter to you?
 HE1: (*Watches her.*) SHE2: Do you want anything to change?
 HE2: Why else would I be here?
 SHE2: Why are you here?
 HE2: If it was all the same to me I wouldn't be. Of course it matters.
 SHE2: What about our kids? Do they matter?
 HE2: Boy, when you get going ... Of course they matter. They mean a hell of a lot to me. But what do they have to do with it?
 SHE2: Just curious. I think the kids have everything to do with it.
 HE2: Forget it. Let's go to sleep.
 SHE2: I don't think we'll manage.
 HE2: Or we could talk.
 SHE2: Yes, we could just talk.
Silence.

SHE1: Aren't you cold?
 HE1: I am.
 SHE1: Why then ...
 HE1: It's nothing serious, really.
Silence.
 SHE1: It's going to be okay now.
 SHE1: (*Puts her shoes back on.*) HE2: Well?
 SHE2: I can't think of anything.
 HE2: Well, what would you like to talk about?

SHE1: (*Crouches.*)
 HE1: (*Watches her.*) SHE2: I don't know. You pick.
 HE2: I don't care.

SHE1: (*Looks at him.*)
 HE1: (*Stands up, turns towards the wall.*) SHE2: I don't either. You start.
 SHE1: (*Watches him.*) HE2: Oh, I don't know. Saw any good movies recently?
 HE1: (*Leans hands to the wall, head on the hands.*) SHE2: Oh, please, I beg you, anything but movies. We'll have a conflict before you know it.
 SHE1: (*Watches him.*) HE2: You're probably right. You choose, then.
 SHE2: Can I?
 HE2: Yes, sure.

SHE2: Anything?

HE2: Anything except the kids.

SHE2H: Why not?

HE2: We are not going to talk about our kids. We have this time all for ourselves. So, right now let's talk about the two of us, not about the kids.

SHE1: (*Stands up.*)

SHE2: Come on.

HE2: Anything else.

SHE2: Anything?

HE2: Yes, anything.

HE1: (*Turns around.*)

SHE1: (*Moves towards him.*)

SHE2: Well, there is something I wanted to ask you. Will you answer?

HE2: Go ahead. Ask.

SHE2: It's something I've been dying to know. About your mistress.

HE2: Oh, come on.

SHE2: But you just said that –

HE2: What about her?

SHE2: How could you do it so easily?

HE2: I didn't. There are lots of logistics to consider. It was not easy, believe me.

HE1: Are you better?

SHE1: (*Nods.*)

SHE2: You know perfectly well what I was aiming at.

HE2: Well I don't know how. It just happens and then ...

SHE2: Don't you feel the slightest guilt?

HE2: Of course I do. I punish myself regularly. You think I'm heartless or what?

SHE2: Then, why did you do it?

HE2: I don't know why. To pass the time. Why else?

SHE2: Couldn't you just stay faithful?

HE2: Who says I'm not faithful?

SHE2: Wait ... Seriously.

HE1: And your head?

SHE1: Still hurts. More and more, I think. It's hunger and thirst.

HE1: (*Leans on the wall.*)

HE2: How can you ask such a stupid question?

SHE2: Well, if that's how you are, then can you tell me why now, is it all of a sudden –

HE1: You'll see, everything is going to be just fine.

SHE1: (*Sits down.*)

HE2: Stop. You can stop right there.

SHE2: Tell me.

HE2: You make it sound so complicated. I'm serious. You shouldn't think so much. Things come and go. Try to take them as they are.

SHE2: And what exactly are we doing here then?

HE2: Taking things as they are.

SHE2: Oh.

Silence.

SHE1: What now?

HE1: Rest for a minute and then we'll continue.

SHE1: OK. If you think ...

HE1: Yes. In the meantime I'll take a look around.

SHE1: Don't!

HE1: Well, I wasn't going to ...

SHE1: No! Don't go. Please.

HE1: Well, alright, I'll stay here then. But at least it'd be good if I turned off the flashlight.

SHE1: Well, OK.

HE1: (*Turns off the flashlight.*)

SHE2: We shouldn't have come here.

Silence.

Silence.

SHE1: Hey.

HE1: What?

SHE1: I can't rest.

HE1: What's the matter?

HE2: I want you.

SHE1: I'm scared.

HE1: (*Turns on the flashlight.*)

SHE2: I know.

SHE1: No, not because of that.

HE1: (*Turns of the flashlight.*)

SHE2: I want you too.

Silence.

Silence.

SHE1: I'm afraid of falling asleep. And freezing to death. Don't people freeze in their sleep?

HE1: You won't freeze to death.

SHE1: But it isn't getting better. It's getting worse and worse, I think.

Silence.

SHE2: It's just that we can't. We really shouldn't. It wouldn't be right.

HE2: Yes, I know.

SHE2: We just can't. It isn't right.

HE2: I know, I know. Sorry to have brought it up again.

SHE2: It's OK. I'm sorry I'm such a pain.

HE2: You're not. You're right.

SHE1: It's not fair.

Silence.

Silence.

HE1: (*Turns on the flashlight. Stands up. Approaches her.*)

SHE1: (*Pulls back.*)

HE1: (*Stands still. Moves off into another direction.*)

SHE1: (*Looks at him.*)

HE2: You think they know?

HE1: (*Leans his forehead against the wall.*)

SHE2: I don't know. I never ask myself.

SHE1: (*Watches him.*)

HE2: I think he knows.

SHE2: Maybe. I think she knows also. They probably both know.

HE2: Yes, probably.

HE1: (*Turns around.*)

Silence.

SHE1: (*Looks away before she is noticed.*)

Silence.

SHE2: Whose idea was it anyway? Who came up first with this 24hrs concept?

HE2: You did.

SHE2: No, it was you who said that you were thinking about what it would be like if we stole 24hrs from life. Those were your exact words. To steal 24hrs from life.

HE2: Well, yes. But it was you who brought us to the hotel.

SHE2: No, coincidence brought us to this hotel.

HE2: Well ...

SHE1: The stench is really awful.

Silence.

Silence.

HE1: (*Shuffles his feet.*)

SHE1: (*Stands up.*)

HE1: (*Crouches.*)

Silence.

SHE2: Do you ever think about how you would feel if you found out your wife was doing what we're doing now?

HE2: She would never do a thing like that.

SHE2: You're right. She would just go and get it over with.

HE2: (*Smiles.*)

SHE1: And my headache won't go away.

Silence.

SHE2: Oh, you don't think so?

HE2: Well, what about him? Would he?

SHE2: I don't know. I don't think about it much. And even when I do, I still believe he wouldn't ever cheat on me. What else can I think? Does it even matter what I think?

HE2: I guess you're right. It doesn't make much difference.

Silence.

SHE1: (*Looks at him.*)

SHE2: Maybe we could anyway ... Since we're here already ...

HE1: (*Looks at the ground.*)

HE2: No.

SHE1: (*Stands up.*)

SHE2: No?

HE1: (*Raises his head.*)

HE2: It wouldn't feel right. It really wouldn't.

SHE1: (*Stretches her limbs.*)

SHE2: Yes, I know. I'm sorry.

Silence.

SHE1: (*Rubs her back.*)

SHE2: But ... Why did we even come here in the first place?

HE1: (*Looks at her.*)

HE2: Can't remember, to be honest. Just forget it. Forget it.

SHE1: (*Crouches.*)

SHE2: Yes, you're right. Let's just forget it.

HE1: (*Stands up.*)

Silence.

SHE1: (*Looks at him.*)

SHE2: But I still don't quite get it. OK, let's say I understand my side of it. Presumably. But with your experience I expected you'd be used to it already.

HE1: (*Walks back and forth.*)

HE2: I'm not. This is different. This isn't exactly what you would call cheating. And yes, I believe it would change everything.

SHE1: (*Looks at him.*)

HE1: (*Looks straight ahead.*)

SHE2: You think it hasn't already changed everything?

HE2: I guess you're right.

SHE2: So what's the problem then?

HE2: Yes, I guess there really isn't any. There is no problem.

HE1: (*Sits down.*)

SHE1: (*Sits down.*)

Silence.

HE2: It's just ...

SHE2: Yes?

HE2: Well, I know there isn't any logic to it. But you were right, in fact. It wouldn't be fair. Because of her and because of him, but mostly because of the kids. And because of us as well. I'll probably hate myself in the morning but right now, at this precise moment, it really just seems wrong.

SHE2: What about what we've done so far? Was it all wrong then?

HE2: What?

SHE2: Well, everything. Everything that brought us to the point of being here tonight. Stealing 24hrs. Wasn't that wrong?

HE2: Yes and no. Depends on your point of view.

SHE2: Well, what's your point of view?

HE2: Look, it's not like I can fix anything but at least I'll try not to make it worse. At least I won't fuck up what I already haven't. And at least that's something. Right?

SHE2: You know what? It think there isn't a single thing left for you to fuck up.

HE2: What do I know, just leave me alone.

Silence.

SHE1: It's not fair. It's not fair. It's not fair. It's not fair. It's not fair. It's not fair. It's not fair.

Silence.

SHE2: Should we go home?

HE2: Are you messing with me?

SHE2: I'm not. We really could go home and tell the truth and everything would be fine. It would be fair, at least.

SPAM15: We are heading into an interesting week.

HE2: Yes, we could do that.

SHE2: But, as long as we're here ...

HE2: Yes. As long as we're here, we could at least have another beer.

SHE1: Death blows out the lamp.

HE1: What?

SHE1: Death blows out the lamp.

HE1: The match.

SHE1: Or that.

Silence.

SHE2: OK, let's.

HE2: / SHE2: Will you ... / Will you ...

HE2: (*Smiles.*)

SHE2: (*Smiles.*)

HE2: / SHE2: You go.

SHE2: (*Laughs.*)

HE2: (*Laughs.*)

SHE2: I'll go.

HE2: OK.

SHE2: (*Gets the beer.*)

HE2: What shall we toast to?

SHE2: Let's toast to us.

HE2: To friendship?

SHE2: Yes. To friendship, what else.

SHE1: (*Stands up.*)

HE2: (*Smiles.*)

HE1: (*Puts his hand to the floor.*)

SHE2: (*Offers him the beer.*)

SHE1: (*Rubs her hands together, blows into them.*)

HE2: (*Takes the beer and strokes her hand.*) Thanks.

HE1: (*Makes circles with his hand across the floor.*)

SHE2: You're welcome.
Silence.

SHE1: (*Rubs her hands against her thighs.*)

SHE2: Pathetic. You're so pathetic.

HE2: Huh?

SHE2: You're pathetic. And I'm pathetic. We're both pathetic.

HE1: (*Moves his hand ever more slowly closely observing the movement.*)

HE2: Stupid you, stupid me. Or how did you put it?

SHE2: What's all this about anyway?

SHE1: (*Rubs her hands faster.*)

HE2: I don't know. It's just ... It's good to know we're not animals.

SHE2: (*Smiles.*)

HE2: I'm such a pathetic waste. I really don't know what you ever saw in me to begin with.

SHE2: Mmm, your body, your ass ... What else?

HE2: Feels good. Go on.

HE1: (*Stands up.*)

SHE1: (*Starts walking.*)

HE1: (*Walks into the other direction.*)

SHE2: And your eyes. Not bad at all. And your arms ... And ... You know what makes me all soft, willing and wet?

HE2: You mean — warm?

SHE2: Yes, warm. Well, do you know?

HE2: No.

SHE2: Are you interested?

HE2: Of course I am.

SHE2: Those small wrinkles you have around your mouth.

HE2: Oh?

SHE2: Remember that time, at the party?

HE2: Yes?

SHE1: *(Leans against the wall.)*

HE1: *(Leans against the opposite wall.)*

SHE2: I couldn't sleep for three days.

HE2: Yes, you told me.

SHE2: Do you know why?

HE2: I look at myself in the mirror regularly, how could I not know.

SHE1: *(Draws shapes across the floor with her leg and carefully observes her motion.)*

SHE2: All I kept thinking about was touching the wrinkles around your mouth. Pressing my cheek against yours. Kissing your wrinkles. Not us kissing. Me kissing your face. Eating you up.

HE2: Did you? You naughty little girl. All the time, while lying next to him?

SHE2: No, while masturbating in the bathroom.

HE2: Yes, me too.

SHE2: Oh, did you jerk off in the bathroom?

SHE1: *(Crouches.)*

HE1: *(Looks at her.)*

SHE1: *(Looks at him.)*

SPAM7: Not too happy with your life recently?

HE1: *(Looks into the floor.)*

SHE1: *(Looks into the floor.)*

HE2: Whatever. It's too late anyway.

SHE2: What?

HE2: I said it's probably too late anyway.

SHE2: Too late for what?

HE2: Too late for a fuck. There isn't enough time.

SHE2: First, I would touch you.

HE1: (*Shuffles his feet.*)

HE2: Where?

Silence.

HE2: Yes?

SHE2: Then I'd let you pet me a little. Only a little.

HE2: You would?

SHE2: Uhuh. My belly. And my neck. And my tits. And then I would kiss your mouth. And I wouldn't let go for a long time. And then I'd suck your dick. I'd suck your dick for a long long long time.

HE2: Long long long?

Pure 24-karat Gold is also one of the basic elements, and cannot be corroded or corrupted in any way and thought of as the most protective.

It is for these reasons, as well as for its incredible beauty that Gold was the material of choice for crafting sacred objects, such as chalices and crosses. This is also why it has been, and continues to be, used in religious ceremonies to this day. But perhaps the greatest reason for acquiring Gold over the last four thousand years is that people wear Gold to increase their own personal power, courage, confidence and willpower. It also has the power to attract wealth. In fact, the expression, 'money attracts money', started out as 'Gold attracts Gold'.
