a play for five actresses with prologue and epilogue

blaž (blaise)
jurij (george)
denis (denis)
vid (vitus)
krištof (christopher)

got their names from
saints
martyrs
intercessors in need*

all of them were decapitated after having been tortured

translator's notes:

* it's a catholic term

- for sounds very helpful - <http://www.writtensound.com/>

- the words – please, shit, spooky, sorry, fuck, fucking – are used in the Slovene version as well; in Slovene, they're spelled – plis, šit, spuki, sori, fak, fakin. This is what young people use in Slovene – English words. Solutions as usage of “puh-leeeze” instead of “please” are recommended.

- when Krištof says “I apologize” – it is the Slovenian word used for “sorry” (oprosti); otherwise boys use the English word “sorry” (in original it's spelled “sori”).

- JLA in Slovene is pronounced differently – and when you say JLA in Slovene it means – jugoslovanska ljudska armada – yugoslav people's army – this is the ex-SFR Yugoslavian army which in the 1990s attacked Slovenia, Croatia and Bosnia. Vid at one point reminds the boys that they are not pronouncing JLA as they should – in English as it means Justice League of America.

- the game partisans and germans is a game that used to be very popular among the children in the ex-SFR Yugoslavia, it's a second world war game – Partisans were good guys fighting for freedom against the bad guy Germans. These days Slovenia is questioning whether Partisans were not bad guys, too.

the boys have a secret meeting place
an abandoned house made of stones
entry to this house is strictly forbidden
it is in the centre of a big city
very close to school
they play there on saturday afternoons
if they aren't attending extra classes

and do the washing, right

blaž
krištof, and you could be superman then, right

krištof
yes
JLA has to get their clothes washed too

vid
you really fucking annoy me with this JLA

krištof
I don't know
we always play it like this

blaž
of course she'd say it

let's play something else

jurij
we said we'll switch
I'll be dad now

we could also play war

blaž
but we haven't finished this game yet

denis
yes, we have to finish this first

jurij
yes
dad has to come back

blaž
at night
when everybody is asleep

krištof
yes
drunk as a skunk

blaž

jurij
I would like to be dad now

vid
I'd like to be dad too

krištof

denis
are we going to draw straws

krištof
I'll draw the shortest one again, and that's for sure

vid
hey
I always draw the shortest one, not you

blaž
come on, come on

denis
I knew it
always me
what if we play faggots and neonazis instead

vid
or partisans and germans

krištof
we'll play faggots and partisans later

jurij
I've told you a hundred times

I'm not playing partisans and germans
because that's just a load of crap

vid
because your grandfather told you so, yes, yes
sorry man
but you're really a pain in the ass with this shit

krištof
we'll play hare krishnas, okay

vid
okay, let's play hare krishnas then

blaž
but later
now let's finish this

jurij
here
I have the long one
I am dad
so
denis
you're mom
I come home
yes and then?

vid
fuck
then we all sleep, right
and you go to the bedroom to your wife

blaž
and you lie on top of her
and she doesn't want to do it

denis
what do you mean by that
do it

blaž
what
what do I mean

krištof
jesus

denis
you are so full of bullshit

blaž
she doesn't want to fuck with her husband
because she is a frigid bitch
do you understand now?

denis
oh
yes

krištof
so full of bullshit

denis
and you're boring
I fucking hate boring people

vid
both of you are totally boring
so boring you couldn't be more boring if you wanted to
fuuuuuuuuck
I mean
fuuuuuuuuck

jurij
come on
guys
let's play
dinner will start soon
and I'll be late
and mom will go crazy
and then grandfather will go crazy
and then grandmother will start praying
and it'll be a nuthouse
let's play
so
I come home
drunk

vid
ey
sorry
man
but drunk people do not move like this

jurij
how do they move then

vid
like this

jurij
well fine then
is this better?

vid
yes
a bit

jurij
so
I come home
my dear wife

denis
don't touch me

jurij
my dove

denis
leave me alone

jurij
my beauty

denis
you stink of beer
go away

jurij
my love
my only love

denis
I told you
not to touch me

jurij
you are my wife
you must do it with me

denis
get lost

jurij
you must do it with me

denis
I must nothing
just get lost
go wherever you came from

jurij
don't treat me like an idiot
spread your legs

denis
what the fuck is the matter with you
you stink
get lost

jurij
you are not going to treat me this way

blaž
you have to scream more
you bitch
you are not going to treat me this way

jurij
okay

blaž
you will let me fuck you if I say so
you're my wife
it's your duty
that's how you say it

jurij
you bitch
you will not treat me like this
you will let me fuck you if I say so
you're my wife
it's your duty

denis
you talk about duty
don't make me drop dead of laughter

get lost
you're impotent anyhow

jurij
you bitch
what did you say

denis
you're ridiculous
please
don't make a bigger fool out of yourself than necessary

krištof
and now the husband leaves

blaž
no, he doesn't leave
what's the matter with you
now he beats her black and blue

krištof
no, no
he goes to the sister now

vid
what sister?

krištof
the daughter

vid
no, come on
this is the biggest bullshit
the daughter sleeps in the same room as the brothers
he doesn't go to the daughter

krištof
yes he does
he goes

blaž
no
she gets scared now and lets him do her

krištof
no
no

father goes to the daughter now

vid
fuck
how
if she's with the brothers

krištof
doesn't matter
he goes to the daughter now

vid
and the brothers?

krištof
nothing

denis
how nothing

krištof
nothing
he just puts his head under the pillow

vid
this is real total bullshit
fuck
what bullshit
there's no action at all here
it's a bullshit game

denis
then let's play faggots and neonazis
who's going to be the faggot

jurij
not me this time

krištof
okay
I am

denis
okay
let's play
let's play
that the faggot is at home

I'll be faggot's dad
and then
then faggot goes out
and meets the other faggot

blaž
I'm not going to be the other faggot
who is going to be the other faggot

vid
okay
shit
always the shortest one
I mean always
fuuuuuuuuck

denis
and then the two faggots meet
two neonazis

jurij
okay
blaž and I we're neonazis
okay

denis
and then
then
yes
then
the two neonazis kick the shit out of the two faggots
and then
then the policeman comes
I'll be the policeman
and then

blaž
yes yes
that's a good idea
then the two faggots shit their pants out of fear

jurij
wait wait
and where are hare krishnas
I'd kick the shit out of hare krishnas as well

vid

fuuuuuck
we play hare krishna when we play war
instead of partisans and germans so that your grandfather doesn't get angry
is this so fucking hard to remember?

blaž
faggots now
hare krishnas later

denis
wait
wait
I have an even better idea
let's play
that the faggot is a child at first
and then he grows up
and then he meets the other faggot
and then
then

krištof
jesus
you complicated everything so much
totally

vid
man
please
don't say it
please
I'll blow up
fuck, I will so blow up

krištof
what

vid
just be quiet
is that okay
quiet

denis
vid
you're so unbelievably fucking smart
I mean
how can you know
what is somebody going to say

vid
man
now you've started
explode
really
I'll explode
just
just
just explode

krištof
total bullshit

vid
fuuuuuuuuuuuck
fuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuuck

denis
this is what I really hate
I mean
if there's something I hate
then I hate this

blaž
you guys are such pussies
such pussies
real pussies
like
some
like
pussies

jurij
and then plastic man transforms into the cudgel
and bang

blaž
ouch

jurij
bang

vid
ouch

jurij

bang

denis
ouch

jurij
bang

krištof
ouch

jurij
smacks the pussies on their heads

blaž
you're an idiot
jesus
idiot
I'll so kick your ass

vid
shit
man
you're not normal

jurij
smacks the pussies on their heads

denis
come on, focus, man

krištof
bullshit
total bullshit
I'm out

vid
me too
I mean
fuck

blaž
let's just kick these faggots' asses
and then go home

jurij
pussies

vid
man
please
don't make a bigger fool out of yourself than necessary
please

jurij
pussies

krištof
come on
jurij
stop already
what you're doing now
is really bullshit
really
come on

jurij
then you did come to a conclusion?

blaž
what?

jurij
well, I don't know
there was sort of a problem

denis
we were discussing the faggots

jurij
so then you did come to a conclusion after all?

denis
yes
I don't know
did we

krištof
we did
I think

blaž
yes

vid
of course

jurij
okay
then let's play

denis
so
this faggot
who is krištof
is a child at first
and I'm the dad

krištof
okay

denis
at first we're at home
I'm the dad
you're not here
just me and the faggot krištof are here

krištof
okay
then we do the one with the homework?

denis
yes

krištof
okay, I'm doing homework
and then the old man arrives
so, I'm writing now

vid
but not like this
come on
write a bit more faggoty

krištof
how?

vid
like this

blaž

no, no
not like this
like this, look

krištof
aha
okay
like this
so, I'm writing like a faggot

vid
faggoty

krištof
yes

denis
I enter
I ask you what you're doing
and then you say that you're doing your homework
what you like to do
and that you like to make dresses for the neighbour's barbie

krištof
then the same as the last time?

denis
yes

krištof
yes

denis
so
I enter
what are you doing
son

krištof
I'm doing my homework
dad

jurij
can you please be a little bit more faggot like

vid
yes

please
man
make an effort here

krištof
I forgot
I apologize

vid
fuuuuuuck

krištof
okay okay
I'm doing my homework
dad
is that okay?

blaž
quite good
it's good now

krištof
I'm doing my homework
dad

denis
and what's that you're writing about
my son

krištof
we have to write an essay about
what we like
and what we don't like

denis
and what don't you like
son
and what do you like
son

krištof
dad
I like to play

denis
and what do you like to play
son

krištof
I like to make dresses for our neighbour's barbie
dad

denis
you are not putting this into the essay, are you
son

krištof
yes
dad
I'm writing
how I like to sew dresses and coats and shirts for barbie

denis
listen
son
listen to your daddy now
and listen very well
son
you cannot sew dresses
you cannot sew coats
you're a boy
you're a youngster
you're a man
you dress yourself in blue
you play with guns
did you hear your daddy
son
daddy will buy you a gun
a real gun
so that you become a real youngster
a real man
you're a grown boy
son

krištof
but dad
I don't want to play with guns
I want to sew dresses and coats

denis
dear son
did you hear your daddy
did you hear what I said
you're a boy

you're a youngster
you're a man
you dress yourself in blue
you play with guns

krištof
I heard
dad
I'm boy
I'm a youngster
I'm a man
I dress myself in blue
I play with guns

denis
so be it
son
so be it
you're a true son of your daddy
you will grow up into something
and now daddy will take this notebook of yours
like this
and he will tear up these stupidities on dresses and coats
like this, son
so, we've settled this

krištof
but dad

denis
son
we've settled this

krištof
but dad

denis
son
we've settled this

krištof
but dad
I'm a faggot

denis
you're not a faggot, son
it's just an idea

a stupid idea
you got from this rotten society
you are my son
you are my son

while I'm writing this the radio plays streets of philadelphia

krištof
I am
dad
I am
a faggot

denis
shut up
don't speak

krištof
but dad

denis
you're a boy

krištof
dad

denis
you're a youngster

krištof
I am

denis
you're a man

krištof
I wear blue the color blue
I actually adore the color blue
blue dresses
blue coats

denis
you play with guns

krištof
but dad

denis

you shoot

krištof
but dad

denis
you kill

krištof
but I don't like guns
dad
I like to sew

denis
you are not my son
you are a disgusting creature
to hell with you
get out of here
before I kill you
get out and don't come back
never
never
and now the faggot son leaves

krištof
yes
and on the street I meet the other faggot

vid
where are you planning to go with these dark eyes of yours

blaž
vid
you're such an original faggot
that I am definitely not going to bend for any soap while you're around

vid
ahahah
very funny

krištof
boo-hoo
boo-hoo
horrible
most horrible
my daddy kicked me out of the house

vid
and why is that
my love
why

krištof
because I like to sew blue dresses

vid
horrible
most horrible
but there's also something beautiful in this
I like to wear blue dresses
will you sew blue dresses for me

krištof
I will
I will
yes

denis
and now the neonazis come

blaž
no, no
I have a better idea
first these two fuck in the park
these two faggots
I mean

krištof
no, come on
no
that's bullshit

denis
why are you being such a pain in the ass
that's great
yes

vid
I'm the old faggot
and I fuck you, the young faggot

krištof

denis
and then the neonazis come

one for each hand

vid
ah ah ah

jurij
okay
let's play
that you're in charge here
we're taking a walk around the park

vid
ah ah

blaž
just taking a walk
or trying to find some faggots
let's play that we're searching for faggots

krištof

that we have no idea how many faggots are walking around the world
that they disguise themselves
that they have children and all

jurij
the people on tv also have children

and then they lean against each other

jurij
they want to run away

denis
like a bunch of pussies

jurij
church bell's ringing ave maria
I gotta go home

blaž

huh, me too

denis
let's go then

vid
let's go

krištof
they're all dead anyway

when jurij grows up
he'll become a computer programmer
at 27
after a successful job interview
he'll be driving home by car
and will crash into a truck
a large iron bar from the truck will crash through the windscreen
and cut off his head

when vid grows up
he'll be drawing
caricatures
picture books
comic books
he'll get married four times
three times with a woman
once with a man
he'll die surrounded by his five children
at the age of 45

when blaž grows up
he'll be a manager
just like his dad
he'll get married and he'll have three children; a daughter and two sons
he'll live happily ever after
carrying on the family tradition

denis will never get married
he will get his phd in biochemistry
and he'll go to live abroad
where he and his male partner will adopt a child
he'll die in his sleep
at the age of 83

krištof will commit suicide at the age of 23

the others will attend his funeral
and that's when they will see each other for the last time
